

Questions about the TTC Pension Fund Society?

If any Member has any questions or concerns about the TTC Pension Fund Society, we strongly recommend that you go directly to the source, the Pension Office. Information from any other source is, at best, unreliable and should be disregarded. It is our goal to make sure that Members are fully informed about their Pension benefits paid by the Society.

Pre-Retirement Seminars:

If you are at least age 40 or have 20 years service, you qualify to attend a pre-retirement seminar (sorry, attendance is limited to one time only). To apply you need to have your name added to our waiting list. Once you have applied, your name will stay on the list until you attend, so you only need to apply once. All we need is your name, employee/badge number, work location and whether your Spouse or partner is interested in attending. If you are not already on the seminar list, call Cheryl Uroda at (416) 393-4368.

Pension Estimates:

We also encourage Members to request regular pension estimates. If you are over age 50 or have 27 years service, you should be getting your Pension Estimate updated every 6-9 months. The Pension Office completes over 1,300 Pension Estimates per year. Getting a pension estimate is good financial planning, it will help you become familiar with the plan, optional forms of pension, deductions, etc. To get an updated pension estimate, call Anna Puccia at (416) 393-4367.

Other Pension Information:

Members interested in estimates of pension entitlements upon termination or death, repurchases of previous pension service or other miscellaneous pension inquiries should direct those enquiries to Cheryl Fawcett at (416) 393-3685.

Financial Information about the Society:

Our annual report, audited financial statements and the latest actuarial results will be ready for release in mid-late May, 2004. Make sure you mark Sunday June 20, 2004 on your calendar and plan to attend our Annual General Meeting at the OFL building, 15 Gervais Drive (Don Mills and Eglinton). At this meeting, the Treasurer will be reviewing the plan's financial position and our advisors will be in attendance to answer any questions from the Membership.

Remember it's your Pension Plan, you owe it yourself and your family to be informed.
